The prior art of record issued to Engelbrecht et al, Schulhof et al. (PTO 1449) and Logan et al. Prior arts concern of large scale networks whereas the audio programming can be delivered over the Internet or radio communication networks and their network structure is totally different than the home area network for use within the user or customer's home location as presented in this invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
